Excerpts From President's Address to American Bar Association Session

Here are excerpts from a transcript of President Reagan's address yesterday to the American Bar Association convention, as recorded by The Associated Press:

posteriory to the American part of the proposed and noncention, as recorded by TRA Associated Press;

We must preserve the soble promposed to the proposed and the proposed and

equal educational opportunity.

An 'agenda for Opportunity'
We are determined to build an Agenda for Opportunity on three pilAgenda for Opportunity on three pilcomic growth. This must be an agenda that Opens the gates of freedom, so all people can go as far as their God-given talents will take them.

their God-given talents will take them. Investigation that agenda begins with western for excellence—men and western for excellence—men and western for excellence—men and with pour counsel, we have sought judicial mominees who support the limited policy-making role for the Federal courts envisioned by the Constitution. The Founding Fathers did not want our judiciary system to be first among equals. They wanted it to be one of three co-equal branches of government.

first among equals. They wanted it to be one of three oc-equal branches of government.

government.

The consequence of the con

Appointments of Women Cited
When an opening appeared on this
nation's highest court, is elected the
person I believed the most outstandnation's highest court, is elected the
person I believed the most outstandfirst time in our history, a woman,
named Sandra Day O'Connor, now
sits on the Supreme Court of the
United States. But I am proudest of
this appointment, not because Justice
O'Connor is a woman, but because
his so well qualified: on appointing,
outstanding blacks, Hispanics and
women to pudicial and top-level policy-making positions in our administration. Three women are members
of my Cabinet — more than ever befor in history. In our first two years,
we appointed more women to top
before us— and I think that's a pretty
good start.

policy posts than any administration before us—and think that's a pretty before us—and think that's a pretty permit me to speak, too, on behalf of our nominese to the Civil Rights Commission: Morris Abram, John Bunzel, Robert Destro, and our nomines for staff director, Linda Chavez, and the staff director, Linda Chavez, the civil rights are beyond question. They are champions of opportunity. But these fine Americans are undercompromises the independence of the commission. Forgive me, but that's hogwash. Historian: Carl Brauer write that John Kennedy sought, through appointments, to liberality administration, and even a representative of the Democratic National Committee, me regularly with the staff director of the Civil Rights Commission. Carter also sought to appoint individuals who reflected their disease on how to achieve our common goal of civil rights for all Americans. So in'l it strange that we never heard comission? Let's be fair and recognize

David R. Brink, right, former president of the American Bar Association, and L. Stanley Chauvin Jr., speaker of its House of Delegates, listening yesterday to President Reagan defeeds his record on civil and women's rights. The plant ruth is, our nominees are independent—independent from exercisionary rule, so evidence the size of the exclusionary rule, so evidence the size of the exclusionary rule, so evidence the size of the size of

the attack upon our nominees for what it is.

The plain truth is, our nominees are independent — independent from every voice but their own conscience. They don't worship at the altar of forced busing and mandatory quotas. They don't believe you can remedy past discrimination by mandating mitted activities for game and the property of the property

citizens — and I think they deserve your strong support.

Equality of Rights

If excellence is one pillar of the Agenda for Opportunity, equality is another, and it's just as important: Equality of rights, treatment and proculou nuder the law.

Equality of rights, treatment and proculous the result of the res

Racial volence and other criminal violations of civil rights laws are among the most helmost intrusions upon individual liberty. We do not shy from prosecution or punishment. The Dani lower describes has filed mines to the control of the control

Fear of Crime

All these reforms are important. But we need another reform: Assurance and the reform and the reform and the reformation and reformatio

our law, we must also have equal access to the higher law — the law of God. The American people support a control of the Congress of the higher law — the law of God. The American people support a control of the Congress of the Congress of with prayer. Prayer would be voluntary, it could not be state composed, and I hope the A.B.A. will support it.

Ecoming Growth

The last great pillar of our Agent and for Opportunity is economic growth. A sparkling economy is the best short of the stripe of the strip
